New 2" Corded Expander Tool Offers Unlimited Power Potential for Commercial PEX Applications

With its six-foot power cord for unlimited power potential, the new ProPEX® 201 Corded Expander Tool from Uponor is the ultimate solution for efficient, cost-effective, commercial-sized 2" PEX applications.

The ProPEX® 201 Corded Expander Tool makes fast, easy connections for Commercial plumbing and radiant systems.

The convenient, 110-volt unit makes fast, easy ProPEX connections to Uponor AquaPEX® and hePEX™ tubing for plumbing and radiant applications. It features a self-contained, pistol-grip design for easy handling, uses current Uponor 2" H-series expander heads, and comes with a durable, heavy-duty carrying case for easy storage and transport.
